Success Needs Room to Grow at Lyon Natomas

(NATOMAS, Calif.) – When Lyon Real Estate’s Natomas Office officially moves this Friday, it’ll only be a six-minute walk to their new office. But for agents and staff, it’ll be like moving onto a mountain top.

Lyon Natomas’ next home at 2280 Del Paso Road is a little roomier, but far more prominent — right at the intersection of Del Paso and Truxel Roads.

“Everyone in our office is thrilled. This location really will create a beacon for Lyon Real Estate in the Natomas community,” said Natomas Office Manager Susie Pierce. “This is an upgrade to a more sleek and stylish home that’s much more representative of Lyon Real Estate.”

The new home comes with a huge front lawn where Lyon Natomas will host a summer barbecue picnic party and grand opening celebration Thursday, June 19. Between 4 p.m. and 7 p.m., the celebration will double as a Natomas Chamber of Commerce Ribbon Cutting and be open to the public, with complimentary food and beverages.

Lyon Natomas outgrew its current location years ago in several ways. It has stayed ahead of competitors in the Natomas market, where it currently leads in market share. And for the last two years, Natomas Office real estate agents have maintained the highest productivity per agent within the Lyon network, which spans 17 offices with 970 agents throughout the greater Sacramento region.

Outside of business, Lyon Natomas’ growing 44-member agent team pitches in to help the community. Most agents live in Natomas and the office actively supports local schools, the business community and community projects, with fundraising activities benefiting the Natomas Unified School District’s sports, charter schools and International Baccalaureate program. The Lyon Natomas Office also supports the Mustard Seed School during the holidays.

“A great team to work with needs a great place to call home,” Pierce said. “Drop by and visit or join the party June 19!”

Lyon Real Estate is ranked the number one brokerage in annual home sales in the greater Sacramento region and has served the area for more than 65 years. In 2012, the company closed 7,769 transactions worth a combined total of \$2.01 billion in sales volume.

Lyon Real Estate has 950 agents in 17 offices located throughout the region. The company is a member of the Leading Real Estate Companies of the World[®] (LRE), the largest network of premier independent firms, as well as LRE's Luxury Portfolio International program. In addition to its real estate services, Lyon Real Estate offers RELO Direct, a global relocation program, and Lyon Property Management.
